

LUDLOW C of E SCHOOL

A lightweight minibus really appealed

Minibus Lite really appealed as our workforce is younger and many don't have a D1 licence. I spoke with other schools who had purchased a Minibus Lite and they were very happy to recommend.

Everyone was extremely helpful, from our initial conversations and arranging a demonstration – which arrived on time and the driver was very knowledgeable. The whole process was smooth and stress free.

Having a Minibus Lite has certainly had a positive impact on the school. Everyone seems very pleased with it and we double the number of trained drivers that I was able to recruit previously which makes it much easier to organise school trips, sports fixtures etc. I would highly recommend Minibus Lite to other

schools so that they can benefit from the flexibility it provides like we have.

The school says:
